## **FANSIZER 2.0**

## **Installation Instructions**

- Download the compressed folder from <a href="http://www.pennbarry.com">http://www.pennbarry.com</a> .
- Double-click on the downloaded file and it should show the files found therein:

- Click on the Extract all files option boxed in red above
- To complete this process, you will need to choose a parent folder where this will be extracted into. You may want to check the box to show the extracted files—in green. Then click on the <EXTRACT> button to finalize this process.
- Go into the chosen folder and locate the Setup.exe application. Double click on it.
- After installation you will need to provide FULL ACCESS to the folder where FanSizer has been installed.
- The default folder would be located in C:\Program Files (x86)\ named FanSizer. Note: the 32-bit system will not have a (x86) in the path above.
- Right-Click on this FanSizer folder and choose the PROPERTIES option at the end of the dialog box.
- Locate the SECURITY tab and click on it. Select from the top group list the USERS group and check if the FULL CONTROL has a check mark under the ALLOW column. If yes ... skip the next

Attributes:	Read-only (Only applies to files in folder)	You have chosen to make the following attribute changes:         unset read-only         d         Do you want to apply this change to this folder only, or do you want to apply it to all subfolders and files as well?         C Apply changes to this folder only         Ø Apply changes to this folder only         Ø Apply changes to this folder, subfolders and files

- Accept to apply the same to the folder and files underneath the FanSizer one.
- You can now open /load FanSizer 2.0 and it should present you with the following:

JserInformation			
Full Name		Address Line 1	
1	*		ł
Company		Address Line 2	
	*		
Email Address		Country	
	*	*	¥
()).		City	State
			* *
		Zip/Postal Code	Phone
Default Job Folder			*
🕅 Browse			
		_	

• The Default Job Folder needs to be defined and it would be a good idea to keep all these jobs in a specific location.
